

Compensation Plan

Not only does SaveClub help you save money on things you're already doing—like travel, shopping, entertainment, and dining—but we also give you the opportunity to earn income in multiple ways with the most powerful and rewarding compensation plan in the industry.

Weekly payouts. Every Friday Night at midnight Pacific time there is cut off for the weeks commissions. The following Friday commissions will be paid out globally. Every week you have the opportunity to earn income in multiple ways with the most powerful and rewarding compensation plan in the industry. On the Second Friday of each month the bonus pools from the previous month will be paid.

5 Ways to Get Paid with Save Club!

- #1. Generations Coded Fast Start Commission**
- #2. 2 X 16 Forced Matrix Commission**
- #3. Generational Matching Bonus**
- #4. Yearly VIP Membership Bonus**
- #5. Monthly Global Leadership Bonus Pool**

#1. Generational Coded Fast Start Commissions

For every person you refer who becomes a SaveClub Member and Affiliate for \$79.97, you'll earn a \$20 commission—paid out the very next week!

Plus, as you advance in rank, you will get paid even more on anyone you personally enroll, PLUS earn Coded Generational Fast Start Overrides as your team duplicates, allowing you to earn up to 40% on your Personally Enrolled members and up to 15% (\$12!) on everyone in your entire team on their initial order!

	Personally Enrolled	1st Generation	2nd Generation	3rd Generation	4th Generation	5th Generation
1 Star	25%	5%				
2 Star	25%	4%	4%			
3 Star	25%	3%	3%	3%		
4 Star	25%	2%	2%	2%	2%	
5 Star	25%	1%	1%	1%	1%	1%

Generational Coded Fast Starts are based on Generation of Rank in Your Enroller Tree. Each higher rank also counts as a Generation of each lower rank. That means a 3 Star Affiliate, for example, will also count as a generation of 1 Star and 2 Star. So as a 2 Star for example, even if you personally enroll someone who builds faster than you and becomes 3 Star before you, you STILL earn the 4% (\$3.20) Second Generation 2 Star Override on everyone he or she personally enrolls, and you will earn up to 7% when Affiliates in other Enroller Tree legs of your organization enroll new members!

This allows you to earn UNLIMITED LEVELS DEEP as new Members and Affiliates join your team!

Fast Start Commissions are paid out on weekly each Friday on the first month's \$19.97 membership and on the \$60 affiliate sign-up fee. That means for anyone who enrolls as a Member and an Affiliate, you'll earn between \$20 and \$32 on each person you personally enrolled depending on your rank.

Generational Override Example: If you are a 4 Star Affiliate for example, and you Personally Enrolled a new Member Affiliate, you would earn the 25% Personally Enrolled Fast Start Commission, PLUS the 5% 1st Generation 1 Star Commission, PLUS the 4% 1st Generation 2 Star Commission, PLUS the 3% 1st Generation 3 Star Commission, PLUS the 2% 1st Generation 4 Star Commission, for a total of 39% (or \$31.20) on that person's enrollment.

Example 2: If you enrolled someone and they become a 1 Star, then they enrolled someone who is unranked, then that person enrolls someone who becomes a 3 Star, when that 3 Star enrolls a new Member Affiliate, YOU will earn 7% (\$5.60) because you earn the 4% 2nd Generation 2 Star Override, and the 3% 2nd Generation 3 Star Override.

#2. Matrix Commissions

When you upgrade your position to Member or Affiliate you lock in your position in SaveClub. You will then be placed in our fast-filling 2x16 Matrix! Every new Member and Affiliate is placed in the highest available position in the matrix following their enroller.

That means the sooner you join, the higher your position will be!

Level	Unranked	1 Star	2 Star	3 Star	4 Star and Above
1	2.50%	2.50%	2.50%	2.50%	2.50%
2	2.50%	2.50%	2.50%	2.50%	2.50%
3	2.50%	2.50%	2.50%	2.50%	2.50%
4	2.50%	2.50%	2.50%	2.50%	2.50%
5	2.50%	2.50%	2.50%	2.50%	2.50%
6	2.50%	2.50%	2.50%	2.50%	2.50%
7	2.50%	2.50%	2.50%	2.50%	2.50%
8	2.50%	2.50%	2.50%	2.50%	2.50%
9	2.50%	2.50%	2.50%	2.50%	2.50%
10	2.50%	2.50%	2.50%	2.50%	2.50%
11	2.50%	2.50%	2.50%	2.50%	2.50%
12	2.50%	2.50%	2.50%	2.50%	2.50%
13		2.50%	2.50%	2.50%	2.50%
14			2.50%	2.50%	2.50%
15				2.50%	2.50%
16					2.50%
Total	\$4,095.00	\$8,191.00	\$16,383.00	\$32,767.00	\$65,535.00

All percentages are based on the monthly \$19.97 membership fee. Commissions for members who sign up for a yearly membership are paid out over 12 months at \$19.97 per month.

Matrix Commissions are paid monthly, starting in your second month, as the first month's membership is paid out in Coded Generational Fast Start Commissions. Matrix commissions are paid the first Friday of each month for the previous month's volume.

#3. Generational Matching Bonuses

On top of what you earn in the matrix, SaveClub pays you a percentage of what your team earns—up to five generations deep!

You will match the entire Matrix Commissions of everyone you Personally Enroll in SaveClub between 20% and 57% as you advance in rank, and up to 37% on everyone else in your enroller tree organization that were enrolled by other team members!

Like our Coded Generational Fast Start Commissions, Generational Matching Bonuses are also paid based on ranked members in your organization. Generational Matching Bonuses are paid on the Matrix Commissions of people in your Enroller Tree Organization. That means regardless of where people fall in your matrix, you will match their Matrix Commissions based on where they are in your Enroller Tree. While you will be paid on EVERYONE under you in your Matrix, you will only earn Matching Bonuses on people in your enroller tree.

Rank	Personally Enrolled	1st Generation	2nd Generation	3rd Generation	4th Generation	5th Generation
1 Star	20%	12%				
2 Star	20%	10%	8%			
3 Star	20%	5%	4%	3%		
4 Star	20%	5%	4%	3%	2%	
5 Star	20%	5%	4%	3%	2%	1%

For example, if you are a 3 Star Ranked Affiliate, and you personally enroll 10 people, and each earns \$4,000 per month in their matrix, you'd earn a 47% match (20% Personally Enrolled Match, plus 12% 1st Generation 1 Star Match, plus 10% 1st Generation 2 Star Match, plus 5% 1st Generation 3 Star Match) on each of their Matrix checks. That's \$1,880 per person, or \$11,200 in monthly commissions—just from your direct enrollments, and not even counting what you will match on everyone else in your enroller tree, what you earn in your own matrix, or any of the other parts of the compensation plan!

Generational Matching Bonuses are paid with Matrix Commissions the first Friday of each month.

#4. Yearly VIP Membership Bonus

When you choose to enroll at our Yearly VIP Membership Level plus Affiliate Fee for \$299.97, you will earn up to an additional \$10 on ALL members in your enroller tree organization who do the same. The VIP Membership Bonuses pay 3 Generations of VIP Members in your organization.

1st Generation = \$10

2nd Generation = \$5

3rd Generation = \$3

Example: If you are a VIP Member, and you enroll someone who chooses the Monthly Membership, then that person enrolls someone at the Yearly VIP Membership level, since you are the first upline VIP, you will earn an additional \$10 VIP Membership Bonus. If you are NOT a VIP

Member and you enroll a VIP Member, the VIP Membership Bonus will go to your upline Yearly VIP Member.

Yearly VIP Membership Bonuses are paid out each Friday with the Coded Generational Fast Start Commissions.

#5. Monthly Global Leadership Bonus Pools

SaveClub sets aside an a full 4% of TOTAL revenue that comes in every single month. That includes new affiliate sign up fees, along with both monthly and yearly memberships! Once you achieve 2 Star Rank or above and enroll just one new member for the month, you'll share in the Bonus Pool for that rank.

2 Star =1%

3 Star = 1%

4 Star = 1%

5 Star = 1%

Monthly Leadership Bonus Pools are paid out each month with other monthly commissions. Each Affiliate will only participate in the bonus pool of their rank. In other words, 4 Stars don't also get a share of the 2 Star or 3 Star Pool.

Rank Qualifications

1 Star

Must have 2 Personally Enrolled Active Members.

2 Star

Must have 20 Active Members in your Enroller Tree organization with no more than 6 coming from any individual Enroller Tree leg.

3 Star

Must have 100 Active Members in your Enroller Tree organization with no more than 30 counting from any individual Enroller Tree leg.

4 Star

Must have 500 Active Members in your Enroller Tree organization with no more than 150 counting from any individual Enroller Tree leg.

5 Star

Must have 2,500 Active Members in your Enroller Tree team with no more than 750 counting from any individual Enroller Tree leg.

***Active Members are members who have an Active/Paid Membership for the current month. Yearly VIP Members who have paid within the last 12 months count as Active Members.**
